Printer calibration check

Print at 100%. The box below should match a standard bank card exactly (85.60 × 53.98 mm). If not, adjust your printer’s scale setting.

Place a bank card here — 85.60 × 53.98 mm

Card width 3.370 in × 2.125 in. The box width depends on page margins; check the height (2.125 in) against the card.
